

THE SELEKT RANGE

Please see the following in-depth size charts for the full Selekt range of clothing. Each style has been carefully measured and all details listed along with their location on the garment. Please note that the Cycling Range is designed and made to offer a snug fit and to be worn close to the skin, based on the premium road riding brands.

If you are concerned a particular size may be too snug please request a sample for fitting reassurance or order a size increment up that what one would normally wear. The fabrics we use are highly flexible and stretch once worn to offer maximum support.
